WALES STEM AWARDS 2020 SPONSORSHIP PROPOSAL

1st May 2020 | Cardiff City Hall | @WalesSTEM | stemawards.wales

ABOUT THE AWARDS

Wales has a huge amount to celebrate when it comes to STEM (Science, Technology, Engineering and Mathematics).

The inaugural Wales STEM Awards will throw the spotlight on Wales' STEM stars – those leading the sector in Wales, those businesses creating an impact on the Welsh economy, those addressing the STEM diversity gap and skills shortage, those inspiring and raising aspirations of the next generation.

The inaugural Wales STEM Awards will bring the business community together for the first time to recognise those entrepreneurial and innovative ventures that are making a difference to the STEM sector.

This prestigious event gives sponsors the lucrative opportunity to position themselves at the forefront the STEM agenda in Wales.

BENEFITS OF SPONSORSHIP

CATEGORY SPONSORSHIP £3000 +VAT

A representative of your organisation will be involved in the final selection of the award winner for your category.

Your organisation will be given ten complimentary tickets to the Gala Dinner to be held at Cardiff City Hall on Friday 1st May 2020

At the awards, a representative from your organisation will announce the winner and present the award on the evening.

There will be a photograph of your presenter with the winner of your award that will be sent to you within 48 hours of the end of the dinner.

Your company logo will be on audiovisual material during the presentation of the category you are sponsoring, on the awards dinner menu and other supporting material.

Your sponsorship will also be highlighted on the awards dedicated website, which will carry full details of the awards ceremony and will include a page with the award winners and your sponsorship.

You will also be given the opportunity to have banner stand space in the Marble Hall on the evening.
